

# CORPORATE SOCIAL RESPONSIBILITY

## Our Commitments

### People

Safety is a top priority for our employees. Through increased training and safety standardization across all our plants, we are working to continuously improve safety for all our employees.

### Planet

AFP is committed to achieving a 70% reduction in emissions associated with our direct operations by 2032\*. We have also committed to reducing our water consumption by 30% by 2032\*\*.

\*As compared to a 2019 baseline year.  
\*\*Water baseline year is 2022.

### Profits

We work to deliver reliable, high-quality products at consistent prices to our customers.

AFP is a subsidiary of Savencia Fromage & Dairy. As such, we are aligned with Savencia's commitments to the Science Based Targets initiative (SBTi).

Savencia Fromage & Dairy commits globally to reduce Greenhouse Gas (GHG) emissions 27.5% by 2030 from a 2019 base year\*.

*\*The target boundary includes land-related emissions and removals from bioenergy feedstocks.*

Savencia Fromage & Dairy also commits globally to reduce GHG emissions from purchased goods and services, fuel and energy related activities, upstream transportation and distribution and end-of-life treatment of sold products 22.5% per manufactured tonnages by 2030 from a 2019 base year.
